Claims and Order

Debt Claims

A debt claim is a claim for a specific amount of money that the other party has agreed to pay you. For example, the other party agreed in a contract to pay you for services or goods. Only include claims that you included in your application for dispute resolution. Do not add new claims. Do not include CRT fees, dispute-related expenses, or interest.

- Liability is assumed in default orders. This means you do not need to prove the other party is at fault.
- Do not provide evidence for debt claims.
- It is your responsibility to make sure the amounts you are claiming are supported by your contract or agreement.

Non-Debt Claims

A non-debt claim is a claim where the exact amount owed has not been determined or agreed to. This also includes claims where you are asking a party to do or stop doing something. For example, the other party damaged your fence, and you are claiming the cost to repair it. Or, you want another strata owner to stop using your parking spot.

Section 1: Non-Debt Monetary Claim Description

If you are making a claim for money from the other party, please enter the details below. Only enter claims you included in your application for dispute resolution.

- Describe each claim.
- Describe evidence to support each claim in the section provided. You must provide a copy of evidence to support the amount or value of each claim. Please remember to attach an electronic copy of the evidence when you submit this form.
- Liability is assumed in default orders. This means you do not need to prove the other party is at fault. For example, if the other party damaged your fence and you are claiming repair costs, you should provide evidence to support the amount of money needed to repair your fence. The other party is assumed to be at fault because they did not respond to your Dispute Notice.

CRT Default Decision and Order

The applicant(s) applied for small claims dispute resolution with the Civil Resolution Tribunal (CRT or tribunal) and requested a default decision and order of the tribunal. The following is the tribunal's default Decision and Order.

CRT DECISION

Proof of Notice:

1. A respondent must respond to a Dispute Notice within 14 days of receiving the Dispute Notice, as indicated on the Dispute Response Form or as permitted by the tribunal.
2. Having reviewed the evidence, I am satisfied, on the balance of probabilities, that the respondent(s) received the Dispute Notice and did not respond to it by the deadline set out in the tribunal's rules.

Jurisdiction:

3. The tribunal's jurisdiction is set out under sections 3.1 and 3.6 of the *Civil Resolution Tribunal Act* (Act). The applicable tribunal rules are those in place at the time the Dispute Notice is issued.
4. The tribunal will make a binding decision without the participation of the respondent(s). The tribunal will send the parties a copy of the final decision and order.
5. Under the Act and the tribunal's rules, in resolving this dispute the tribunal may make one or more of the following orders:
 - a. Order a party to do something
 - b. Order a party to refrain from doing something
 - c. Order a party to pay money

Decision:

6. In accordance with the Act and the tribunal's rules, I find the respondent(s) must pay the applicant(s) the monetary amounts as set out in the preceding pages. This amount is payable immediately.
7. I find the applicant(s) is entitled to any applicable post-judgment interest, which is not included as part of the "total order" amount.
8. While liability is assumed in default decisions, I must still assess the value of the claims. In the Dispute Notice, the applicant explains that he took his Phillips 55" TV to the respondent for repair and paid a \$260 cash deposit. The claim for the \$260 cash is addressed above. In addition, the applicant seeks the return of his 55" Phillips TV. In support of his claim, he provided a November 5, 2015 receipt from the respondent for the deposit on a part, that on its face provides an estimate to repair the TV. I am satisfied the applicant is entitled to the return of his 55" Phillips TV, and I so find.

CRT ORDER

9. The following tribunal order is made subject to the following conditions being met:
 - (a) the deadline for making a Notice of Objection under section 56.1 (2) of the Act has expired (that deadline is 28 days after the party receives the decision), and
 - (b) the tribunal has advised the applicant(s) in writing that no Notice of Objection has been made.
10. In accordance with the Act and the tribunal's rules, further to the decision set out above, I order the respondent(s) to immediately pay the applicant(s) the monetary orders set out in the preceding pages. The applicant(s) is entitled to post-judgment interest.
11. In addition, I order the respondent to return to the applicant's Phillips 55" TV to the applicant.

12. Orders for financial compensation or the return of personal property can be enforced through the Provincial Court of British Columbia, so long as the principal value is within its jurisdiction under the *Small Claims Act* (currently \$35,000). The applicant(s) can enforce this final decision by filing in the Provincial Court of British Columbia a validated copy of this Order. Once filed, a tribunal order has the same force and effect as an order of the Provincial Court of British Columbia.
